**Indian Rheumatology
Association**

23rd – 27th November, 2022
Brilliant Convention Centre,
Indore

Indian Rheumatology – FUTURE IS NOW

IMMUNOFLUORESCENCE MICROSCOPY WORKSHOP IN AUTOANTIBODY DIAGNOSTICS

Date :
24th November, 2022

Venue :
G S Sainani Hall

Time :
11 AM – 12.30 PM

Convenor :
Dr Durga Prasanna Misra

Target Audience :

- Fellows-in-training in Clinical Immunology and Rheumatology
- Practising Rheumatologists who want to learn about the applications of immunofluorescence microscopy to their practice.

Scientific learning objectives

- Understanding the principles of immunofluorescence
- Understanding the different cellular substrates to identify ANA and ANCA by indirect immunofluorescence
- How to interpret ANA and ANCA indirect immunofluorescence readouts

Teaching and learning methods

- Interactive lectures
- Demonstration of reading of ANA indirect immunofluorescence slides

Goals of the workshop :

- To understand the principles and practical application of immunofluorescence microscopy in Rheumatology.

Expected outcomes

- Participants shall understand how immunofluorescence is done, as well as the interpretation of immunofluorescence for ANA and ANCA.

Course Fee

- **Consultants** :
Rs. 1000 + Convenience fee (as per norms)
- **Residents** :
Rs. 500 + Convenience fee (as per norms)
- **Overseas Participants**
USD 30 + Convenience fee (as per norms)

Number of participants :

40

REGISTRATION CAN BE DONE THROUGH NEFT/UPI/CHEQUE ON THE BELOW-MENTIONED DETAILS
